

## **Your Art**

You will be prompted in the checkout process to upload your artwork.

### **Artwork Requirements**

Preferred format is AI file vector format with all text converted to outlines.

There may be restrictions if the artwork is too complex. Any free-standing text should be included in vector format.

### **Artwork Assistance**

Artwork clean-up, typesetting or resizing is free.

Unsupported Art File Formats: QuarkXPress, PageMaker, InDesign, Freehand, Microsoft Office (Word, PowerPoint & Excel) will not be recognized through the art acceptance process.

Need Artwork Assistance? No problem - upload what you have. We will quote (for your approval) any required artwork services before we begin production.
